

Energy Conservation and Weatherization Project

Provided at NO COST to eligible residents of Clarion and Jefferson Counties to help families reduce high energy costs

Weatherization may include the following:

Stop infiltration of cold air by:

- Installing door sweeps
- Replacing broken glass
- Caulking cracks
- Weather-stripping doors and windows
- Insulating attic doors / trap doors

Increase attic insulation to R-38

Attic venting

Insulating floors over unheated basements and crawl spaces

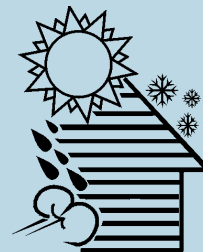

Furnace inspection with possible repair / modification

In-home energy education visit to provide tips on how to:

- Conserve energy
- Save you and your family money

Weatherization Works

Am I Eligible?

Both owners and renters are eligible for weatherization and NO LEIN is placed against the property. A home is eligible for Weatherization if it has not been weatherized since September 30, 1994.

Applicants are automatically eligible if in the 12 months preceding the weatherization application, they received:

- Supplemental Security Income (SSI)
- Temporary Aid to Needy Families (TANF)

OR

- The total household income does not exceed the Federal Poverty Income Guidelines.

Federal Poverty Guidelines

Size of Family	Annual Income*
1	\$21,780
2	\$29,420
3	\$37,060
4	\$44,700
5	\$52,340
6	\$59,980

* Families with more than six members, please call for eligibility.

This project is financed in part with funding from the American Recovery and Reinvestment Act by a grant from the federal Department of Health & Human Services, under the administration of the Commonwealth of Pennsylvania, Department of Community & Economic Development.
